Candidates for Advanced Degrees
Class of 2004

Significance of the Academic Costume

The significance of the academic costume is determined especially by the sleeves and hoods.

Doctors wear the round bell sleeve; the gown is faced down the front and barred on the sleeves with black velvet or color indicating the degree; the doctor’s hood is large. The doctor may choose to wear the gold tassel on the cap.

Masters wear the long, closed sleeve, with a slit near the upper part of the arm; the master’s hood is of more moderate size.

Bachelors wear the long or pointed sleeve. The color of the tassel indicates whether the degree is in the field of arts (white), fine arts (brown), music (pink), or science (golden yellow).

Commencement Speaker

Richard G. Scott

Richard Gordon Scott was sustained as an Apostle of The Church of Jesus Christ of Latter-day Saints on October 1, 1988. He was called as a member of the First Quorum of the Seventy on April 2, 1977, and served as a member of the presidency of that quorum from October 1, 1983, until his present calling.

He was born November 7, 1928, in Pocatello, Idaho, a son of Kenneth Leroy and Mary Whittle Scott. At the age of five he moved with his parents to Washington, D.C., where his father served with the Department of Agriculture, later becoming an assistant secretary of agriculture.

He graduated from George Washington University as a mechanical engineer, served a full-time mission to Uruguay, and completed postgraduate work in nuclear engineering at Oak Ridge, Tennessee. From 1953 to 1965 Elder Scott served on the immediate staff of Admiral Hyman Rickover, directing the development of nuclear fuel for a wide variety of naval- and land-based power plants.

From 1965 to 1969 he presided over the Argentina North Mission in Cordoba, Argentina. Upon his return he worked as a private consultant for nuclear power companies.

He served as a regional representative in the Uruguay, Paraguay; North and South Carolina, Virginia; and Washington, D.C., areas until his call as a Seventy.

Elder Scott loves our Father in Heaven, His Beloved Son, and His other children. Elder Scott enjoys a variety of special interests. He has a deep love for the natural beauty of the world.

He is blessed with a gifted wife, Jeanene Watkins, to whom he was sealed July 16, 1953, in the Manti Temple. She passed away May 15, 1995. They are the parents of seven children.

Alisa Jean Henrie
MS, Brigham Young University, 1997
BS, Brigham Young University, 1995
Major: Mechanical Engineering
Dissertation: Percolation Paths of Three-Dimensions in Sensitized Stainless Steel

Curtis L. Hill
MS, Brigham Young University, 2000
BA, Weber State University, 1995
Major: Counseling Psychology
Dissertation: Academic Achievement and Cultural Identity in Rural Navajo High School Students

Robert Steven Millward
BS, Idaho State University, 1999
Major: Physics
Dissertation: Finding Solutions to the Einstein Equations

Christian Bruce Peel
MS, Utah State University, 1997
BS, Utah State University, 1995
Major: Electrical Engineering
Dissertation: Studies in Multiple-Antenna Wireless Communications

Christopher Martin Smemoe
MS, Brigham Young University, 1997
BS, Brigham Young University, 1995
Major: Civil Engineering
Dissertation: Floodplain Risk Analysis Using Flood Probability and Annual Exceedance Probability Maps

Quentin Horne Spencer
MS, Brigham Young University, 1996
BS, Brigham Young University, 1994
Major: Electrical Engineering
Dissertation: Transmission Strategies for Wireless Multi-User, Multiple-Input, Multiple-Output Communication Channels

All candidates listed for graduation will be awarded degrees subject to completion of requirements.

Class of 2004

Significance of the Academic Costume

The significance of the academic costume is determined especially by the sleeves and hoods.

Doctors wear the round bell sleeve; the gown is faced down the front and barred on the sleeves with black velvet or color indicating the degree; the doctor’s hood is large. The doctor may choose to wear the gold tassel on the cap.

Masters wear the long, closed sleeve, with a slit near the upper part of the arm; the master’s hood is of more moderate size.

Bachelors wear the long or pointed sleeve. The color of the tassel indicates whether the degree is in the field of arts (white), fine arts (brown), music (pink), or science (golden yellow).

Commencement Speaker

Susan Winder Tanner

Susan W. Tanner, daughter of Richard and Barbara Winder, grew up on a dairy farm in Granger, Utah. Surrounded by her three brothers and a group of close cousins, Susan spent her early years being nurtured by an extended family of parents, grandparents, uncles, and aunts who lived next to each other on "Winder Lane."

A BYU honors student and student body officer, Susan graduated from BYU in humanities with an emphasis in English and French—and a strong interest in nutrition. She has traveled widely and has lived in California, Florida, England, Brazil, and Utah.

Susan is married to John S. Tanner, academic vice president of Brigham Young University. They are the parents of one son and four daughters and have five grandchildren. Each of their children has attended BYU.

Susan loves to run, read, cook, and sew. She is an excellent homemaker and is generous with her talents. She loves fudge, especially if John has made it for her. John describes Susan as being like Mary Poppins: "Practically perfect in every way."

In the final analysis, however, perhaps Sister Tanner's most identifying characteristic is embodied in her favorite color: yellow. In the Young Women values, yellow represents "good works." This is indeed descriptive of Susan. She has taught cooking, sewing, and piano to many. She has sewn clothes for herself, her family, and others and has used this talent to sew prom dresses not only for her daughters but also for many of their friends.

Another of Susan's good works has been making their family's house a home—and a safe haven for many

friends. For years she had weekly "bread days" in her kitchen for any high school student who wanted to "come home for lunch." Countless young people came for the company, the conversation, and the hot home-made bread. Indeed, many of these young friends felt that there must be "celestial dust" in Sister Tanner's oven, because everything came out tasting heavenly.

Not surprising for one who loves to give, on her birthday she follows the Hobbit tradition of giving little gifts to others.

Susan has served in all the women's auxiliaries at both the ward and stake levels, has been on Church writing committees, and was a member of the Relief Society General Board for a few months before her call to serve as Young Women general president. She loves the sisters of the Church, is a student of the scriptures, and feels a deep commitment to the gospel. Those who listen to her words will hear a voice of love, a voice of encouragement, and a voice that has absolute confidence in the Lord and His promises.
